President's Message

Disbelief has set in. This is my last opportunity to provide a written message to all the membership. I am so lucky to have had the opportunity to serve as your President this past year. While we have accomplished quite a lot, there is always so much more we can do. I hope that you will join us in Tampa on Sunday morning, June 15th for the Board of Governor's meeting and/or the SCMS dinner on Monday night, June 16th.

My team of Committee leaders and the entire Board of Governor are awesome. I appreciate all that they bring to the team and thank them for their participation and support. Stephen Shepard from IMA staff has been a valuable addition in assisting our efforts. We wish to express our sincerest appreciation.

Some special things have happened since my last communication:

- 1) A scholarship winner has been determined by our Scholarship Committee. Thanks to Cathy Maness for directing the activity and the assistance of Chuck Hartle and Melanie Michalovich. Jodi Ryan from IMA staff is a delight to work with and 40 applications for scholarship were received. Information is included in this Spotlight about our selection.
- 2) Our Nominating Committee has proposed a strong slate of members for election. The nominations and continuing incumbents are also included in this issue of the Spotlight.
- 3) SCMS is well positioned to actively pursue grant funding under the direction of James Smith, Chair of our Fundraising Committee.
- 4) Once again, John Deere has donated a lawn tractor for silent auction in Tampa. Our sincerest thanks to former SCMS President Bob Krogh for his continued generous support of our student fundraising activities.

Throughout the past year, I've had the opportunity to talk with many of our members. John and Sherry Billings, Past Presidents of SCMS, will be joining us in Tampa. We look forward to seeing them. Bob Liptack, former IMA Chair, and his lovely wife Mary Ellen will be joining us at the Mid-Year in October.

We are excited to have at least 12 candidates for induction into SCMS membership on Monday night June 16th.
